<b>E</b>	Sol.99% TEA	Brenntag	0.05%

**Aspect:** White thick cream

**pH:** 5.0 / **VISCOITIES: D1 at RT:** 82800 cps Brookfield M4V6

**VISCOITIES: 1M at RT:** 86000 cps Brookfield M4V6 / **Recovery at RT (after 1M at 45°C):** 74000 cps Brookfield M4V6

**STABILITY:** 1M at RT, 45°C.

**FORMULATION ADVICES: Laboratory scale - 300g batch - Silverson**

Heat aqueous phase A and fatty phase B to 80°C. Pour the aqueous phase into the fatty phase after homogenising Solagum GM (phase C) in the fatty phase with a spatula. Emulsify under Silverson for 4 mins at 4000 rpm. Cool under anchor for 10 minutes. Continue stirring for a further 10 minutes in a cold water bath. Add phase D during cooling. Adjust the pH to approximately 5.0 using phase E.

All information contained herein is intended merely to demonstrate the utility of Seppic products, and should not be construed as granting license to practice any compositions or methods covered by a patent or a patent application or efficacy or tolerance. All information contained in this specific technical documentation is believed to be accurate and has been set up by Seppic according to its own described methods and processes. Seppic however does not assume any liability or risks involved in the use of its products for the preparation and the assessment of the hereinabove formulation since the condition of use are beyond its control. Seppic customer must insure that the duplication of the hereinabove formulation is not infringing any intellectual property rights and that it complies with any regulatory status. Formula only for demonstration purposes. Seppic has not tested efficacy, toxicology and safety of this formulation if not mention.

## HIGHLIGHT:

**SOLAGUM™ GM** thickens this emulsion and brings comfort and a cushion finish with a moisturising effect.

**MONTANOV™ 202** emulsifies this smooth white cream and creates liquid crystals structure for a long-term moisturization.

**EMOGREEN™ L15** gives a fresh and gliding touch with a soft after-feel.

**SEPICLEAR G7™** boosts the preservation.

*Use as a night cream on face.*
